

## The National Association of Professional Child Photographers Honors Members in International Image Competition

(November 4, 2016) – The National Association of Professional Child Photographers (NAPCP) is proud to announce Jennie Pyfferoen from Jennie Pyfferoen Photography as one of the esteemed winners of the July 2016 International Image Competition.

Designed to recognize the world's most successful child photographers, the NAPCP Image Competition called for images across a range of category subjects including Maternity, Newborn, Babies, Children, Siblings, Toddlers, Tweens, Seniors and Family. Image submissions were carefully judged by a blue-ribbon panel of experts based on impact, technical merit, composition and creativity.

As an Image Competition winner, each member will receive our coveted award winning NAPCP seal for website placement, highlighted listing in the NAPCP Member Directory, increased exposure and promotion to vendor partners, NAPCP member points, titles and professional recognition.

For more details on the NAPCP Image Competition, please visit <http://napcp.com/photographers/competition/About> NAPCP The National Association of Professional Child Photographers (NAPCP) is a member-based association representing and promoting the community of professional child photographers. The NAPCP provides a valuable platform for seasoned veterans and rising professionals alike to share their experiences, hone their craft and raise their professional visibility.

NAPCP connects parents searching for child photographers with its members by providing a comprehensive directory and informative articles on what to expect from their professional photography experience. For more information, please visit <http://www.napcp.com>.
